No new business.

OTHER BUSINESS

Kevin informed the group that he planned on presenting to Council at the next work session the consideration to change the language on the parking ordinance. Kevin stated the language in the ordinance needs to be corrected as currently it is not clear that existing buildings do not have to abide by the newer strict parking ordinance. Laura suggested that the members of P & Z take a look at the ordinance and come back with any suggestions. Laura asked who has the authority to change the ordinance and Kevin stated that Council has the authority. Kevin also asked if anyone from P & Z had any input concerning the parking ordinance that he would like to know so that he could present it to council.

ADJOURNMENT

MOTION made by Arthur Hersh and seconded by Rich Watters
Meeting adjourned at 7:50.
